

Is This Appropriate?

February 2, 2003

When I cried out,
they said crying out
was not “appropriate behavior”.
I do not think appropriate behavior
is good.

Everything
that is not
appropriate behavior
makes me feel.

Don't trust
Anyone
Who labels
Things
As not appropriate behavior!

Art,
Poetry,
Music,
Sex,
Love,
Belly laughs...
All outside of
Appropriate behavior.

That's where I live
In freedom!
