

NO CAN NOTS

Sunday, April 28, 2002

**Talking to future healers
& teachers
& maybe future
muckrakers & troublemakers**

Well,

**Not really future
Because hopefully
You are doing IT
RIGHT NOW!**

Hopefully

**I'm not talking to the future guards
Of the corporate normalcy
Armed with can nots,
Limiting futures from birth,
Enforcing coloring only within the lines,
Enforcing doing everything
THE RIGHT WAY
THE NORMAL WAY**
