

# THE DANCE WITHOUT DANCERS

2011

What we have here is  
only the first smell of fresh magic.  
Matter is hollow tubes  
containing fibers  
of packets of possibilities.  
Matter is symbol,  
is metaphor  
containing possibilities.  
These packets shape matter.  
These packets, in turn,  
are reshaped by  
each body /object  
they pass through.  
We are affected  
by the stars,  
and the stars  
are affected  
by us.  
We affect the Tarot cards  
and the I-Ching coins  
we cast.  
The physicists affect  
the subatomic particles  
they observe.

By reshaping  
these inner packets,  
the material reality is reshaped.

The inner rivers of possibilities  
are two-way on the linear level.  
The magical effects are always  
two-way.  
The light of the sun warms us;  
but we affect the sun through  
the same channel.

We have entered the level  
of the dynamic web

of relationships  
in which the individual  
does not exist.  
In place of the individual,  
there appear points  
of personal responsibility  
in a dance.

It is not the sun that warms,  
nor is it us who are warmed.  
It is the dance of no dancers,  
the dance of relationships  
that warms,  
and that is warmed.

Reality creation  
is a dance.  
We are the dancers.  
But in truth,  
it is a dance  
without dancers.  
If we really take  
on personal responsibility  
for the dance,  
we surrender to the dance,  
give up individual "control,"  
give up individual linking  
with the results.  
By taking on the personal responsibility  
for the dance,  
we are the dance.  
We melt with the dance.  
We are only the dance.  
We admit these facts.  
It is not a question  
of becoming,  
but of remembering  
and admitting.  
It is a question  
of being,  
    living,  
                    dancing lustfully,  
without controls  
or limits  
in responsibility.

The life dance  
is beyond morals  
or limits.  
It joyfully digs  
into the dance  
to the juicy black core.
