

Our garden! In the pots in front: Calendula (just sprouting), Violet, Lemon Balm, Peppermint, Sage, Lemon Verbana, Parsley, Oregano, Chrysanthemums. In the background: Rosemary, Lavender, and our "veggie" bed with varioius salad greens, Comfrey, Plantain, Dandelion, Chamomile, Bush Beans, Sorrel, Cilantro, Cress. The metal container second from the right is filled with Yarrow.

Comfrey, Chamomile, Dandelion and Plantain growing in our veggie bed.

St. John's Wort that we started from seed last year is just starting to flower!

More Calendula in the pots, just emerging. The metal container is filled with Chickweed.
